WORK EXPERIENCE

Software Developer
Aye Technologies Limited, New Kingston, St. Andrew | June 2019 - Present

- Refined and finalized designs by closely collaborating with senior engineers on code implementation, validation, and debugging.

- Worked closely with colleagues to implement new features on the frontend using vue.js.

- Worked on implementing features on the backend code comprising of Spring boot.

- Alter and added tables to the database.

EDUCATIONAL BACKGROUND

Bachelor of Science in Computer Information Systems
North Caribbean University at Jamaica | August 2017 - Present

PROJECTS

Entech (2022)
This is a website for a tech startup. The technologies used to create the projects are vue.js version 3 tailwind CSS.
